

2018 CIF-SS Transfer Rules Survey

In my Message from the Commissioner in May, 2018, I asked the question, "Is it time for us to have a conversation about transfer rules?" Based on the feedback I received from principals, athletic directors and coaches thus far, the answer has been a resounding Yes. Therefore, the first step in the process will be to survey our member schools with some suggestions on potential changes to our current transfer rules.

Please take a few moments to examine this survey and provide your responses. It will be available on August 1, and will be open for responses until Friday, September 7. Please be sure to respond as soon as possible and give us your thoughts on this most important issue. Thank you very much, Rob

One school, one response.
